

All About Red Wine with Food Matching

An informative and enjoyable half-day suited to those who have tasted many wines but would like to unlock the secrets to how to identify quality and recognise value for money.

The course covers topics ranging from red grape varieties, top red Australian wine growing regions, how red wine is made; deciphering European labels and identifying qualities and faults in wine.

Course includes a wine education book, wine & food matching workshop and nineteen wines. All wines tasted are masked and Attendees have the opportunity to test their skills with a Wine Options Quiz.
