

ALL ABOUT WINE with Food Matching

An informative and enjoyable day suited to those who have tasted many wines but would like to unlock the secrets to how to identify quality and recognise value for money.

The course covers topics ranging from the magnificent seven; top Australian wine growing regions; how wine is made; deciphering the label and identifying quality to help you get value for money with your wine purchases.

Course includes a wine education book, wine & food matching workshop and nineteen wines tasted. All wines are masked and Attendees have the opportunity to test their skills with a Wine Options Quiz.

The day begins with the Mechanics of Tasting Wine, including a taste of four different Dry White table wines and we cover information on how Wine is Made. Next we launch into a major tasting of Varietal Wines. We'll cover the differences between Warm and Cool Climate Wines. We'll work out which wine to drink with what, in our Wine and Food Matching Workshop. You'll discover how to listen to your tastebuds and identify quality wines. The three course food matching workshop will be served at 5:00 & 6:15pm

By 6:30pm, we're ready to relax with a Wine Options Quiz just for fun!
